**Mark your calendar! Please come to attend our 2007 national grassroots immigrant strategy conference at Richmond, VA!**

**Our conference will be based on our May Day 2007 call to action:**

- 1) No to anti-immigrant legislation, and the criminalization of the immigrant communities.**
- 2) No to militarization of the border.**
- 3) No to the immigrant detention and deportation.**
- 4) No to the guest worker program.**
- 5) No to employer sanction and "no match" letters.**
- 6) Yes to a path to citizenship for undocumented immigrants.**
- 7) Yes to speedy family reunification.**
- 8) Yes to civil rights and humane immigration law.**
- 9) Yes to labor rights and living wages for all workers.**
- 10) Yes to the education and LGBT immigrant legislation.**

**We envision this as a grassroots activist conference of broad-based, multiethnic organizers from African American, Native American, African immigrant, Asian American, Latino/Latina, Arab-Muslim-North African, progressive labor, interfaith, LGBT, student, anti-war/peace and global justice groups from across the country. To meet face-to-face and discuss how to build a new national, broad-based, immigrant rights/civil rights movement, and to set a 6-9 month national strategy for the 2007-2008 period.**
