

who are ActionLA & PeaceNoWar?

ActionLA is a Los Angeles-based activist collective which was established in October, 2000 after the Democratic National Convention protests in Los Angeles. Collective members include individuals from LA Direct Action Network, LA Independent Media Center, LA CISPEs, LA Food Not Bombs and many other community organizations.

when folks want to know...

What's up with Immigrants' Rights?

Who is Ashcroft going after today?

Who is campaigning against sweatshop labor exploitation?

What is the latest lie from the Bush whackers in Washington?

Where is the demonstration?

The answers are always fresh on the **actionla listserv**, with contributors from around the US and the world!

World, National, and Local news and alerts bringing the work of many to the aid of many more.
